

Summer Reading Book Reports

This summer, your child(ren) will be required to complete a minimum of 2 book reports. We have decided to give the children choices this year. New first graders have 3 choices while students entering grades 2 through 5 have 4.

These book report forms went home with your child but if they are misplaced or you need more, they may be obtained at the desk of the Children's Department of the Rahway Public Library.

Also, this year the children will be earning coupons to be used during the 08-09 school year. They can earn free homework passes (no more than 3), free pizza at lunch or first in line in the cafeteria! One coupon is earned for each book report completed and turned in at either the public library or in Sept. in your child's school library.

Thank you for your cooperation and enjoy the summer!
