

Rahway School District

Strategic Plan Goals and Objectives

Goal Area: Teaching and Learning (Includes Curriculum and Instruction, Social Emotional Learning)

Goal Statement: To increase measurable student outcomes by created student-centered environments with high impact instruction that empowers students to become life long learners

Objectives:

1. Develop a comprehensive system of professional development which is sustained; intensive, collaborative, data drive and classroom focused that improves teachers' knowledge of content and pedagogy.
2. Develop vertically aligned PreK-12 standards based curricula that promote student centered learning
3. Create a school community that intentionally develops skills and knowledge necessary for the processes of social and emotional learning
4. Promote teaching and learning that is responsive to learners' cultures, learning modalities and interests.

Goal Area: Facilities (Capacity) and Finance

Goal Statement: To create a safe and secure learning environment to deliver 21st century programs for all students.

Objectives:

1. To provide 21st century state of the art spaces for all students.
2. To secure, allocate and advocate for needed funding
3. To seek alternate types of funding sources
4. To provide tools and resources for 21st century learning opportunities for all students.

Goal Area: Families and Community Partnerships

Goal Statement: To forge partnerships with families and the community to create a culture of learning that meets the needs of all individuals

Objectives:

1. Coordinate with various community partners within the community (city). i.e. mayor's office, UCPAC, Hamilton Stage, Rec. Center
2. Communicate with families via various marketing tools available in today's society. I.e. Facebook, Instagram, Twitter, increased emails, robo-calls, texts, "Remind" app., etc.
3. Creating a welcoming environment by understanding family needs.
4. Revisit school policies with a lens toward family needs. i.e. absenteeism, tardiness, electronic communications
