

Dear Rahway Public Schools' Parents/Guardians:

At this time, Rahway Public Schools are being closed due to a directive from the Health Department and/or the NJ Department of Education. During this time, it is expected that students will continue to complete academic activities, as well as stay in contact with their classroom teachers as needed.

All work will be posted on MY TEACHER SITE. If you have not visited my site prior to this, below are instructions on how to do so:

1. Go to [www.Rahway.net](http://www.Rahway.net)
2. In the top drop down menu, please select your child's school.
3. On the top of the school page, please click on the TEACHER SITES tab.
4. Locate and select the appropriate teacher's name.
5. Click on the Home Instruction page.

If you are unable to access this information, please call the main office of your child's school and assistance will be provided.

During this time, I will be available to assist and work with students electronically. Generally, my three hour window of availability is from **12pm to 3pm**. Students will be able to reach me in the following ways: **drosa@rahway.net**. I will be responding to students on a daily basis; however, please allow at least 24 hours for me to get back to either you or your child.

While school is not in session, students may submit assignments electronically to me in the following manner: **google classroom**. Otherwise, all work must be completed and submitted as soon as school is back in session. Please be aware that these assignments will be graded and calculated into student's final grades.

Thank you for your anticipated cooperation.

Sincerely,

Mr. David Rosa II

You are a direct source for this historic moment in the modern history of our world. Everyday you are home, create a 20-30 min journal entry detailing your experiences, concerns, and activities. Keep in mind that these primary source documents, that you are creating in real time, could be used by future students to understand the direct impact this pandemic has had on your daily life. This assignment can be hand written and returned to your teacher when you return to school, or you can complete the journal entries online and upload them to Google Classroom.
